Dear American Legion Post 580,

Thank you for your generous gift of \$2,000.00 on 2/1/2023 to support CAP. It is through contributions from donors like you that we can connect our neighbors to resources they need now, as well as the tools to create a better future for everyone in our community. Your support helps CAP provide basic services and innovative programs that empower individuals and families to become self-reliant, live with dignity, and achieve their full potential. You are making a difference in our communities with this support.

Thank you again for your support of CAP and our work on behalf of individuals and families in the tri-county area. We are fortunate to benefit from your generosity and partnership.

Appreciatively,

Jeff Hansen
Executive Director
