Thoughtful contributions from you sustains ResourceWest's ability to strengthen our community. Your support directly assists families through tough and complicated situations. In 2022, donors helped equip over 1,000 children with school supplies, warm winter gear, and gifts during the winter break through our Children & Youth Program. Your support allows us to continue connecting families to needed resources.

Our work is critical toward strengthening families' safety nets and building healthier communities. Thank you for helping ResourceWest be a safe place where individuals and families in the West Metro area connect to resources and move toward stability.
