Dear Friend and Sponsor:

The Carver County Sheriff's Office would like to express our sincere thank you for financially supporting our child safety and drug prevention education program.

We feel it is our sworn duty to provide the public with the protection and safeguards expected of us. Our planned child safety and drug prevention education program will help us do that. You have recognized that we desperately need to reach our children with accurate and vital facts that will educate and help them grow as safe, happy, and useful citizens. The materials and services we have carefully selected, are developed exclusively by the National Child Safety Council, a non-profit, tax-exempt organization. Because of your generous support, we are able to provide a well-rounded child safety and drug prevention education program for our children. Without your help, this could not have been possible.

Thanks again, not only from the Carver County Sheriff's Office, but also from all of the young people who will be touched by your helping hand.

Yours in Safety, Service, and Protection,

Jason Kamerud, Sheriff  
Carver County
