Paul Differding
American Legion Post #580
290 Lake Drive East
Chanhassen, MN 55317

Dear Paul,

On behalf of Let's Go Fishing - Eden Prairie, our volunteers and the people we serve, we all wish to say a **huge** thank you to the American Legion Post 580! The generous donation of \$10,000 on February 6, 2023, will have a significant impact on our boating and fishing programs as we take seniors, veterans, youth and special needs individuals on fishing and boating trips. The donation will be used toward our capital campaign to replace our pontoon boats.

After 10 years of service to our community, our pontoon boats and motors have seen a great deal of use and are in need of replacement so that we may continue to offer quality boating and fishing excursions for our guests. The donation from the American Legion Post #580, together with capital campaign donations and commitments from the Eden Prairie Scheels, other community organizations and foundations, and numerous individual donors, is adequate to fund the replacement of both pontoons and motors. Accordingly, the order has been placed for both boats and we are hopeful that the first pontoon will be available at the beginning of our 2023 season and the second later in 2023!

Let's Go Fishing – Eden Prairie is very privileged to have organizations such as yours partnering with us in so many incredible ways so that we may be of service to our community.

In our 2022 season, Let's Go Fishing-Eden Prairie was honored to serve nearly 3,800 individuals on just over 325 trips. It is such a joy to see smiles and excitement when individuals who might otherwise not have an opportunity to spend time on the water, whether fishing or just enjoying nature, get a chance to experience the magic of just a few hours on a lake.

Once again, THANK YOU for the most generous contribution to Let's Go Fishing - Eden Prairie! Together, we make a very significant difference in our community.

Sincerely,

Cindy Cross
