Dear Post #580 Members:

Thank you, thank you, thank you, for your support that will give financial aid to the families of our Minnesota Public Safety Professionals, who are seriously injured or killed in the line of duty.

Recently, a check was presented to Officer Ryan Sheak of the White Bear Lake Police Department, who was shot in the abdomen and leg three times while responding to an active shooter situation. We will also be making a donation to the family of Deputy Josh Owen of the Pope County Sheriff's Office who was shot and killed in the line of duty responding to a domestic violence call for service. He left behind a wife and son.

It is our goal to provide immediate financial support to these families so they will not have to worry about their impending financial burdens. Our non-profit organization does our best to raise funds so that we are able to help when needed. Your donation will be a huge help to supplement those efforts.

On behalf of the Law Enforcement Labor Services Police Benevolent Fund, thank you for your generous donation of \$5,000. We are all extremely grateful.

Respectfully yours,

Jim Mortenson  
Executive Director  
Law Enforcement Labor Services
